

Delivery

We offer a delivery service, based on our staff's availability. This is a great option if you would like your order brought to your home, but you don't need full catering service.

The Delivery/Drop-off fee is \$50 (there is an additional charge for venues beyond 8 miles from the restaurant).

We also offer a drop-off and set-up service for \$100. We'll bring your food to your house and put it all out onto your own platters so that you don't need to do a thing – just bring your guests in to enjoy.
